

AUTHORIZATION TO DESTROY ORIGINAL CLIENT DATA AND DISCONTINUE STORAGE

1. Destruction of client data used in the case of **<Case ID>**. Datajockeys, LLCs Services in this matter have been concluded. Authorization is hereby provided by Client for Datajockeys, LLC to destroy the client data associated with this matter and relinquished to Datajockeys, LLC by Client for investigation. Case files pertaining to work product are not affected by this instruction.
2. The destruction of this data will be done in such a manner as to render the data totally worthless for any and all future use. Note that by executing this authorization Client is acknowledging that Client understands that once the data is destroyed, the process is irreversible and unrecoverable.
3. Authorization. I have read and understand the foregoing Authorization. I sign below as a duly authorized representative of the Client listed below and hereby grant permission to Datajockeys, LLC to destroy the non-work product data associated with the case of **<Case ID>**.
